

Quality Policy

PERI L.L.C. UAE

PERI L.L.C. is the leading provider of expert services in formwork and scaffolding technology. Our self-image "we are PERI" makes us strong. Together we strive to deliver top performance for our customers.

As a family-owned company, we want to grow sustainably. Our values and our success factors are the guidelines for our actions. They make us strong and help us to fulfil our mission. Our vision is the great goal of our joint entrepreneurial action : We want to be the leading partner for all formwork and scaffolding applications in the United Arab Emirates.

We promote creativity, inventiveness, intelligent solutions and create room to manoeuvre for continuous improvement of our products, processes and services. The quality of our efforts determines the degree of satisfaction of our customers and thus the success of the company. We intend to continuously meet the quality objectives and goals set by our management.

By setting up and implementing an integrated management system, we commit ourselves to assessing risks and opportunities, complying with legal requirements and fulfilling requirements in the areas of quality management as well as occupational health and safety, environmental protection and health protection.

This policy and associated implementation documentation will be publicised to all employees and will be reviewed on a regular basis to be updated or revalidated as appropriate.

A blue ink signature, appearing to read "UR", is written over a light blue circular stamp.
